# Welcome to Tarifold

# A STRONG BRAND, QUALITY PRODUCTS, GUARANTEED PERFORMANCES.

The right information at the right moment for the right decisions: this is the original spirit of Tarifold. After 70 years, the French brand has become a widely acclaimed reference for solutions in visual communication and workplace organisation.

Tarifold is the inventor of the display system, a widely use document referencing tool that helps people to get organized in their everyday work: discover our brand-new and patented PRO wall unit system will set new standards in document management.

Tarifold also stands for signage best-sellers like the KANG or MAGNETO pockets, but also pioneering products like the T-Clip mounting system and the fresh Color Dream range of filing products.

Last but not least, our newly launched identification range will surprise you with smart ideas and colorful products. Throughout our assortment, we thrive for the same goal: offer great products to make people and companies everyday work easier and more efficient.

Certified ISO 9001 and 14001 since 2005.

# TARIFOLD, A COMPANY COMMITTED AT REGIONAL LEVEL

Tarifold is a French company but also an Alsatian company. Based in Geispolsheim since its creation in 1950, has always endeavored to maintain and develop the production of its products in Alsace.

Proud to belong to this region, Tarifold is, as of 2018, partner of the "Alsace brand". The values conveyed by the "Alsace brand" are in line with those of our company: openness to the world thanks to our international presence, innovation and constant improvement of our products, pleasure to use our products both practical and aesthetic ...

## AT SOCIAL AND SOCIETAL LEVELS

Since 2008, Tarifold is proud of being one of the first French SME patrons of the Pasteur Institute. We support a research project on autism conducted by Prof. Bourgeron and his team.

In addition, we participate yearly in Pasteurdon, a big event in support of the Pasteur Institute. Tarifold also organizes awareness conferences with the Pasteur Institute.

# Welcome to 3L Office Products

# 3L OFFICE PRODUCTS: FOR A BETTER ORGANIZATION AT OFFICE AND HOME!

Quality, innovation and sustainability are all key components of the 3L brand which is widely recognised and respected as one of the leading office products manufacturers in Europe.

Store your documents without damaging them?
Protect them from dust, dirt, grease, stains and moisture?
Categorise, index and annotate all important information?
Identify your luggage, display the date of a meeting?

Thousands of possibilities offered by 3L Office products.

3L Office Products A/S is an international production company based in Denmark. We've been designing, producing and distributing high-quality office products since 1969. Today, 3L products are sold in more than 50 countries around the world.

# **3L OFFICE PRODUCTS, AN INNOVATIVE AND PROACTIVE COMPANY...**

Our modern headquarters and production facilities are all on one site.

With R&D, manufacturing, sales and marketing located under one roof, we're able to respond rapidly to the needs of our customers, wherever they are in the world.

Our growing product range consists of over 250 items, the vast majority of which are designed and manufactured in Denmark, where innovative design, functionality and attention to detail are highly valued.

## ...AND ENVIRONMENTALLY RESPONSIBLE

3L Office Products is an ISO 9001and ISO 14 001 certified company. Our competent employees work to value adding procedures designed to optimise and standardise quality and service levels.

The company offers products that are all manufactured according to REACH regulations and which do not contain any component of the SVHC list.

95% of our products are manufactured using environmentally responsible PP and PET, instead of PVC. Our adhesives are solvent free and pH neutral. All our products are quality controlled in our laboratory to ensure a consistency of quality that meets our own stringent production requirements.

We are reducing our packaging needs. Where possible, we use only FSC paper and recycled packaging material. All our paper and cardboard are recycled.

# **PRO WALL KIT**

# Patented Magnet system: instant pocket mounting!

A new system perfectly adapted to TQM, 5S, KAIZEN and generally speaking all LEAN management purposes.

#### **PRODUCT ADVANTAGES**

- > Perfectly suited for frequent uses, pockets can be mounted, removed and switched in the blink of an eye.
- > High-quality and long-lasting.
- > Easy load function: wide corner opening for easy document insertion (PP pockets).
- > Time saving: pockets mount 4 times faster, thanks to strong Neodyme magnets.
- > Protects frequently used documents against dust, spills, wear and tear.
- > Steel wire reinforced frames, metallic pivots and thick, orange-peel, transfer-safe transparent foil (PP or PVC).
- > Polyprolpylene foil: 98% recyclability (specialized recycling channels).
- Corrosion-free and heat resistant aluminum bracket (anodized) recyclability 100% (specialized recycling channels).

## PRODUCT DESCRIPTION

> Wall display system with magnetic pocket mounting. With 10 or 5 PP or PVC pockets.

#### **MATERIAL**:

- >  $170\,\mu$  transparent polypropylene foil or  $120\,\mu$  crystal PVC foil (REACH conform).
- > Bracket: aluminum anodized.
- > Magnets: Neodymium magnet, strength 0.9 kg/cm<sup>2</sup>.
- > Caps: shock resistant PA6 polyamide material.

#### **TECHNICAL SPECS:**

- > Holds up to 20 A4 documents.
- > Other pocket colors available on request.

#### **3 TYPES OF MOUNTING:**

- > Mounts on all 8 and 10 mm slit aluminum profiles with T-Clip (included).
- > Magnetic mounting, 45mm self-adhesive strip (included).
- > Mounts with standard screws on walls (4.5 mm holes), not included.

# **METAL WALL KIT**

# For quick and easy access to information.

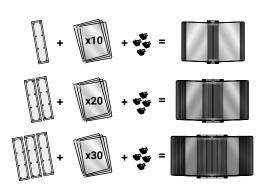

#### Versatile - It makes vital information visible, where it's needed!

Limitlessly extendable by simply coupling items side by side, extremely sturdy and easy to mount, the metal wall unit is essential for efficiently communicating important information.

#### **PRODUCT ADVANTAGES**

- Steel wire reinforced pivoting pockets, exclusively by Tarifold.
- > Spacer included (offers an ideal reading angle).
- > Easy and fast care: the PVC pockets are easily washable for an irreproachable hygiene.

- > 1 wall unit in light grey metal with 4 side stops to hold the pockets.
- > 10 PVC rotating pockets, metal pivots.
- > 5 clip-on index tabs (neutral/color inserts) for 10 pockets.
- > Bag of screws/wall plugs.
- > Infinitely extendable by simply coupling items side by side. It adapts to the volume of documentation.

# **MAGNETIC WALL KIT**

# Can be mounted just about anywhere.

Our magnetic wall unit mounts to all metal surfaces in an instant and without tools.

Designed in ultra-solid, shock resistant metal. This display system is particularly useful for factory displays, on machines, metal walls... and allows information to be provided wherever it is necessary.

#### **PRODUCT ADVANTAGES**

- > Ultra-resistant metal, notably to shocks.
- > A unit that can be mounted and moved easily.

#### **PRODUCT DESCRIPTION**

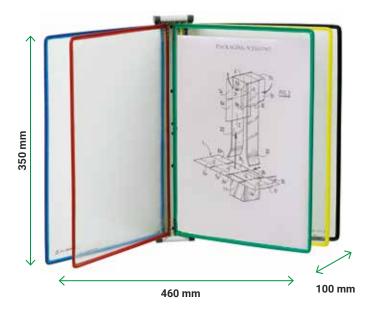

#### **A4 MAGNETIC WALL KIT**

- > 1 grey metal wall unit, magnetic back.
- > Magnet resistance: 17.5 N.
- > 5 or 10 PVC A4 pivoting pockets.
- > Side stops for optimal hold of pockets.
- > 5 clip-on index tabs included (10 pockets only)
- > Infinitely extendable by simple coupling items.

#### **PRODUCT DESCRIPTION**

#### **A3 MAGNETIC WALL KIT**

- > 2 very strong 30 mm large and 45 cm long magnetic bands at the back of the unit.
- > 10 pivoting A3 PVC pockets.
- > Side stops for optimal maintenance of pockets.
- > 5 clip-on index tabs included.
- > Infinitely extendable by simple coupling items.

# STERIFOLD ANTIBACTERIAL WALL KIT

# Spread information, not germs!

#### Sterifold is specially designed to avoid microbial contamination.

On documents handled by numerous users, microbes, germs and bacteria can reproduce, transmit and possibly cause contagious diseases. Thanks to an exclusive technology, the silver ions included in Sterifold pockets deter microbial growth by eliminating micro-organisms presenting a health risk.\*

#### **PRODUCT ADVANTAGES**

- > Stops germs and bacteria in under 2h.
- > The only pocket designed to present and organise paper information in places where the proliferation of bacteria presents a risk.
- > The only pocket designed to present and organise paper information in places where the proliferation of bacteria presents a risk (medical and paramedical, pharmaceutical industry, restaurants...).

#### PRODUCT DESCRIPTION

- > 1 light grey wall unit.
- > 4 side stops for optimal hold of pockets.
- > 10 PVC Sterifold antibacterial pivoting pockets with metal pivots.
- > Available with white or black pockets.
- > 5 clip-on index tabs (neutral/color inserts).
- > Infinitely extendable by simply assembling units side-by-side.

<sup>\*</sup> Laboratory tested / Scientific documents available on request

**Bacterial reduction table** 

For optimal anti-microbial protection, we recommend that you replace your Sterifold pockets every 2 years.

**IMPORTANT:** Using Sterifold does not replace routine hygiene practices (washing, disinfection...).

# STERIFOLD STAINLESS STEEL ANTIBACTERIAL WALL KIT

# Sterifold stainless steel kits are perfectly adapted to places where hygiene is a must!

Prefer them to your standard kits on appearance of even the lowest risk of microbial proliferation. The Sterifold pocket is the only one to allow paper information to be provided and organised while putting a halt to germs and bacteria.

#### **PRODUCT ADVANTAGES**

- > The kits are especially adapted to work environments subject to HACCP hygiene standards, together with damp environments or those subject to water contamination.
- > The first system boasting 100% hygiene combining the recognised characteristics of stainless steel and silver ion-treated anti-microbial PVC.

# 500 mm 350 mm

#### **PRODUCT DESCRIPTION**

- > Stainless steel wall unit equipped with 10 PVC Sterifold antibacterial pivoting pockets.
- > Stainless steel pivots.
- > Available with white or black pockets.
- > 5 clip-on index tabs (neutral/color inserts).
- > Includes bracket to hold pockets.
- > Infinitely extendable by simply assembling units side-by-side.

# **VEO PIVOTING POCKETS**

# Perfectly adapted for VEO display kits (desk and wall).

This document-holding pocket offers flexibility, sturdiness and efficiency through its unparalleled level of quality.

#### **PRODUCT ADVANTAGES**

- > Black edge: a modern sleek design.
- > Its metal frame brings flexibility and sturdiness.
- > Solidity of steel wire and metal pivots.
- > For optimum transparency, it is made in PP.

#### **PRODUCT DESCRIPTION**

- > Pack of 5 A4 PP pockets with metal pivots.
- > Opening short side. Top insertion.
- > To be used with VEO wall and desk kits.

# **EASY LOAD PRO PIVOTING POCKETS**

### Fast loading and removing of documents

This Easy Load display pockets can be used in a PRO wall kit with 2 magnetic caps (Art. 920101 or Art. 920102) and 1 bracket (Art. 920001). It presents and displays A4 documents.

#### **PRODUCT ADVANTAGES**

- > Wide corner opening for easy document insertion.
- > High-quality and long-lasting due to exclusive wirereinforced document display panels.
- > Polyprolpylene foil: 98% recyclable (specialized recycling channels).
- > Packed in a dispenser box. Easy to store and easy access to the product.

#### **PRODUCT DESCRIPTION**

- > For A4 documents.
- > Other sizes available on request.
- > Pack of 50 A4 Easy Load PP pockets with metal pivots (bundled by 5).

# **EASY LOAD PIVOTING POCKETS**

# 100% recyclable and anti-glare polypropylene (PP) pockets.

#### Perfect for ISO certified companies.

Ideal for factories, warehouses, workshops, offices, showrooms, desks, counters, stores, kitchens, ...

#### **PRODUCT ADVANTAGES**

- > Wide corner opening (corner closure, 2 sides open).
- > Provides immediate access to documents.
- > Protects and organizes all frequently used documents (plans, maintenance instructions, procedures, directories, catalogues, price lists,...).
- > Improves work efficiency and communication.

#### **PRODUCT DESCRIPTION**

- > 10 Easy Load pockets A4.
- > 5 clip-on index tabs (neutral/color inserts).
- > Can be fixed on an Easy Load wall kit or desk kit.

# **DESIGN POCKETS**

### Stability and flexibility.

Pockets are a reinforced steel wire frame mounted on an easy and innovative fastening system with a keyway.

#### **PRODUCT ADVANTAGES**

- > Reinforced steel wire frame.
- > Pockets made of recyclable polypropylene.
- Thanks to the keyway, pockets are always in the correct position.
- > The thin frame of the pockets provides an aesthetic look.
- > Easy mounting on the Design wall kit or Design desk kit. No tools required.

> 5 pockets available in grey or blue, size A4.

# STANDARD POCKETS

### Simply protect!

The standard tarifold pockets will allow you to protect frequently used documents.

#### **PRODUCT ADVANTAGES**

- > The standard tarifold pockets are the epitome of simplicity and practicality.
- > Easily move, protect and display information anywhere!
- > Steel wire frame makes the pocket unbreakable.
- > Use colors to enhance, find information and color code documents!
- > Drypocket version ideal for use in damp or humide environments!
- > Ideal for use on shop windows, windshields, pallets, shelves, racks, in kitchens, etc.

#### PRODUCT DESCRIPTION

- > Anti-glare 110 μ PVC pockets.
- > Available in 7 colors.
- > Format A4 or A3.
- > Available in standard or Drypocket versions.
- > Drypocket exists also as pivoting pocket, with magnet or hanger.

## **BRACKETS FOR PRO WALL KITS**

### Strength and lightness of aluminum.

Bracket is designed to be mounted with 2 magnetic caps (Art. 920102/920101) to create a wall display unit that holds pivot pockets by magnetization for multiple document presentation.

Combined, the items form the Pro wall kit, the best solution for document display in industrial environments!

#### **PRODUCT ADVANTAGES**

- > Mounts on all 8 and 10mm slit aluminum profiles using T-Clips.
- > Can also be mounted with standard screws on walls (4.5 mm holes).
- > Resistant, lightweight and stylish.
- > Easy and fast mounting of magnetic caps (2 notches).
- > Packaged in front-opening dispensing boxes for better stock management and accessibility.

- > Made of high grade aluminum (nuance AW 6060-T6) with clear anodized finishing.
- > Holds A4 pivoting pockets.
- > Depending on magnetic cap chosen, can hold 5 or 10 pockets.
- > Other sizes available on request.
- > To be fixed with T-Clip instant mounting clip (Art. 920201/920202/920203).

Art.	Product size	Quantity per unit
920001	345 x 29 x 5 mm	x10

## MAGNETIC CAPS FOR PRO WALL KITS

### Patented quick magnetic panel mounting.

The magnetic caps are designed to be used together with the aluminum bracket (Art. 920001) to create a wall display unit that holds pivot pockets by magnetization for multiple document presentation.

#### **PRODUCT ADVANTAGES**

- > Quick and easy clip-on mounting on bracket.
- > When combined with panel blockers, pockets are locked in position and system has greater stability.
- > Extremely strong magnets hold pockets in place efficiently.
- > Packaged in front-opening dispensing boxes for better stock management and product accessibility.

#### **PRODUCT DESCRIPTION**

- > 2 sizes available: for 5 or 10 pivoting pockets.
- > Made of shock-resistant Polyamide (PA6).
- > Contains Neodymium magnet: strength 0.9 kg/cm<sup>2</sup>.
- > 96% recyclable (specialized channels).
- > Can be combined with pocket blockers.
- > To be mounted on aluminum bracket.

# **SWING ARM**

### Double jointed flexible metal arm.

This ergonomic swing arm adapts to your environment and offers significant space savings on your work surface.

#### **PRODUCT ADVANTAGES**

- Extremely flexible thanks to 3 joints and pivoting head.
- > Ergonomic, it frees work space, adapts to your environment and leads to appreciable space saving!
- > High strength mechanism with integrated spring.

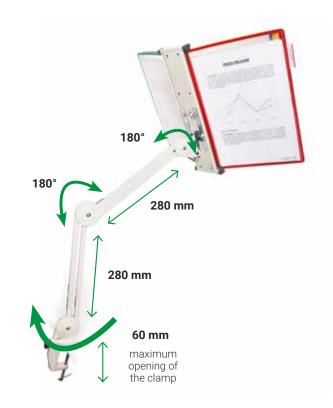

- > Swing arm with interior springs and fixing clamp (60 mm max.).
- > Delivered as accessory, to be combined with Tarifold A4 or A5 Metal wall kits (Art. 41410X, 41510X) or with Design wall kit (Art. 71430x) or Easy Load wall kit (Art. 41490X).
- > Delivered with table fixing clamp (also available as wall mounted version (Art. 587101) or screw-on base (Art. 588101).
- > Can hold 1 to 2 wall kits for 10 to 20 pockets maximum.

### **ROTOR REVO**

### The Rotor Revo is designed for "endless" viewing of your documents of different formats and orientations.

The Rotor REVO is a multifunction holder that fixes to different surfaces (wall, table, shelf...) and allows pockets to rotate 360°. The pockets (A4, A5 and A3) are displayed in portrait or landscape. Different pocket formats can be mounted on the Rotor Revo (combined with standard pockets Art. 13450X).

#### **PRODUCT ADVANTAGES**

> Different formats (A4, A5, A3, portrait or landscape) can be mounted on the product.

#### PRODUCT DESCRIPTION

#### **ROTOR REVO WALL**

- > Wall unit, delivered with screws and rawlplugs.
- > Length: 35 cm min. and 42 cm max. (A4-A3).
- > Pocket fixing rails (in ABS).
- > Delivered without pockets. Max. capacity: 10 pockets.
- > Combines with standard pockets (Art. 13450X).

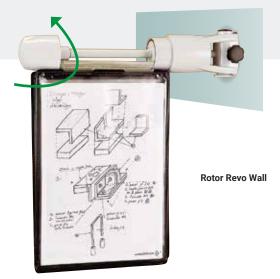

#### PRODUCT DESCRIPTION

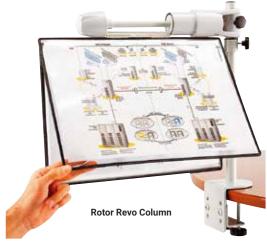

#### **ROTOR REVO COLUMN**

- > Column with clamp.
- > Max. column height: 54 cm.
- > Length: 35 cm min. and 42 cm max. (A4-A3).
- > Delivered without pockets. Max capacity: 10 pockets.
- > Pocket fixing rails (in ABS).
- > Combines with standard pockets (Art. 13450X).

# **DESK COLUMN**

### Pivoting, adjustable height...

A product specially designed for standing workstations! This metal column has a fixing clamp (60 mm maximum).

#### **PRODUCT ADVANTAGES**

> Height adjustable and orientable: perfectly adapted to the standing workstation.

- > Light grey colored column.
- > Adjustable height: min. 400 mm and max. 830 mm.
- > Fixing clamp with clamping screw.
- > Link piece for Tarifold metal wall kits.
- > Can hold 1 or 2 wall kits max. (10 to 20 pockets, Art. 41410X).

Color	Art.	Product size	Quantity per unit
	560100	60 x 825 x 85 mm	x1

# RACK SUPPORT PIVORACK

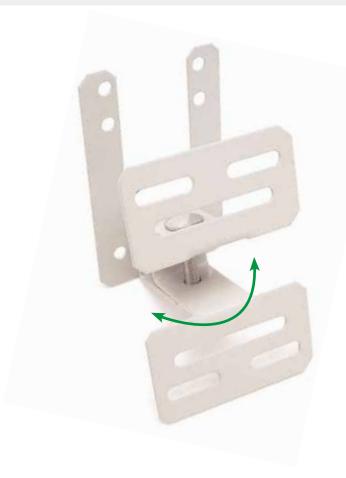

### With its universal form, it can be mounted on all types of holders.

Pivoting holder for fixing up to 2 wall units (20 pockets max.). Ideal for warehouses, shop shelving and grids.

### PRODUCT ADVANTAGES

- > It pivots 120° from left to right for reduced volume.
- > The inclination of the Pivorack offers the ideal reading angle (10° slope).
- > Universal fixing: specially designed to adapt to all types of racks, shelves, etc.

- > Light grey color holder.
- > Delivered with fixing screws.
- > To be combined with a Tarifold Metal or Design wall kit.
- > Extension to 20 pockets maximum by simply coupling two Tarifold wall kits.

Color	Art.	Product size	Quantity per unit
	604850	70 x 135 x 56 mm	x1

# **SIDE STOPS**

### For a perfect alignment of pockets.

These plastic plugs insert into the side spaces of the metal holder to ensure alignment and hold pockets open as well as on a slant for optimal reading.

### **PRODUCT ADVANTAGES**

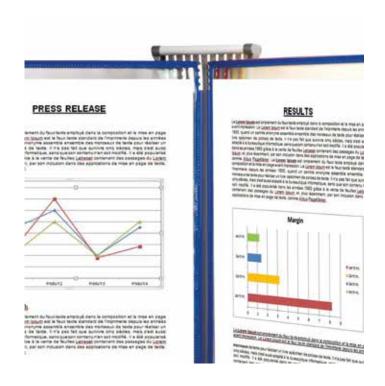

- > Optimal reading thanks to the wide pocket opening.
- > Inserts into all Tarifold metal kits.
- > Perfect alignment of pockets.

- > Bag of 4 side stops.
- > Grey color.
- > Made in ABS.

Color	Art.	Product size	Quantity per unit
	200000	21 x 28 x 16 mm	x4

# **CLIP-ON TABS**

### For locating pockets and customising documents.

Clip-on tabs designed for a more optimised organisation of information.

These tabs can be fixed on all Tarifold pockets.

Delivered with neutral/colored paper inserts

#### **PRODUCT ADVANTAGES**

- > The tabs are repositionable and mobile.
- > Recyclable polypropylene index tabs.
- > Fix to all Tarifold pockets.

### PRODUCT DESCRIPTION

- > Bags of 10 polypropylene clip-on tabs.
- > Index tabs 50 mm (A4, A3) or 25 mm (A5).

## **T-CLIP MOUNTER**

# Instant mounting for all brands of aluminum profiles.

The T-Clip is composed of an insert and a key that allow you to fixe standard elements or Tarifold Pro accessories on most brands of aluminum profiles with 8 or 10 mm grooves.

The insert is inserted through the accessory and into the groove of the profile and the key is then pushed into the insert to lock the accessory into position on the profile.

- > Quick and easy: allows you to fixe elements on aluminum profiles in the blink of an eye. No tools needed!
- > Flexible applications: can be used with all accessories for workstations (document holders, cable holders, magnetic holders, hook, presentation systems) or with standard elements available to the user (power switches, electrical raceways, etc.) into which a 15 mm diameter hole needs to be drilled in order to insert the T-Clip.
- > Universal: can be used on most brands of aluminum profiles including Apore, Bosch Rexroth, Elcom ITEM, Flexlink, Hepco, Kanya, MayTec, Minitec, Misumi, MK, Modular, Norcan, etc.
- > Packaged in an easy to open dispenser box for easy storage and access to product.

#### **PRODUCT DESCRIPTION**

- > Key: Polypropylene copolymer 100% recyclable (specific channels).
- > Insert: Estane TPU 98 shores 100% recyclable (specific channels).
- > Pull-out resistance: 9 kg.
- > Sliding resistance: 5 kg.

### **POCKETS WITH METAL RINGS**

### Ideal to protect, display and handle paper documents

Can be fixed using a magnetic holder and T-Clip anywhere on T-slot aluminum profiles.

#### **PRODUCT ADVANTAGES**

- > Keep the right documents always at hand by magnetically mounting on any aluminum profile structure (work stations, machine frames, quality control posts...).
- > Protect documents against dust, spills, wear and
- > Panel can be used horizontally or vertically.
- > The unique Easy Load corner closing feature offers quick and efficient document management in all industrial environments.

#### **PRODUCT DESCRIPTION**

- > 12 Easy Load display panels with metal rings for magnetic fixing
- > Uses Easy Load wide corner opening function
- > For A4 documents
- > Made of 170 µ transparent recyclable polypropylene foil: 99.4% recyclability (specialized channels)
- > To be combined with Magnetic holder (Art. 920212) fixed with T-Clip instant mounting clip (Art. 920201/920202/920203)

## **HOOKS**

### Easy and quick hanging of items.

Who doesn't need a hook? This hook can be fixed wherever needed!

Hang various items such as cloths, keys, brush & dustpan on most T-slot aluminum profiles (with T-Clip).

#### **PRODUCT ADVANTAGES**

- > Can be fixed with T-Clip on all aluminum profiles (workstations, machine protections, quality stations...).
- > Items stay in reach and don't risk falling.
- > No surface wear or paint flaking.
- > Corrosion-free and high resistance to chemical attacks.
- > Particularly suited for food industry applications.

#### **PRODUCT DESCRIPTION**

- > Made of 2 mm thick 304 stainless steel without chemical surface treatment or paint: 99.9% recyclable (specialized channels).
- > Pull-out resistance: 9 kg.
- > Sliding resistance: 5 kg.
- > To be fixed with T-Clip instant mounting clip (Art. 920201/920202/920203).

# **MAGNETIC HOLDERS**

### Holds most metallic items and keeps them handy at all times.

Magnetically holds various metallic items such as tools, keys, etc.

The magnetic holder can be fixed thanks to the T-Clip mounting clip anywhere on T-slot aluminum profiles.

#### **PRODUCT ADVANTAGES**

- Has anti-rotation function.
- > Saves time by holding all frequently used items right at hand on workstations, machine carter...
- > Improves efficiency and safety at work by keeping workspace organized and tidy.
- > Can also be used together with the Easy Load display panels with metal rings (Art. 924057) for signage and document protection.

#### **PRODUCT DESCRIPTION**

- > Made of Polyamide (PA6).
- > Neodymium magnet: magnetic strength 0.9 kg/cm<sup>2</sup>
- > 99,8% recyclable (specialized channels).
- > To be fixed with T-Clip instant mounting clip (Art. 920201/920202/920203).

# **CABLE HOLDERS**

### Neat and easy cable organization.

Thanks to its two bases, the cable holder makes it possible to run two parallel cables along the aluminum profiles.

The cable holder can be mounted using a T-Clip anywhere on most T-slot aluminum profiles.

#### **PRODUCT ADVANTAGES**

- > Has anti-rotation function.
- > No need to wrap cables around profiles anymore to hold cables in place.
- > All kinds of cables can be guided and organized along aluminum profile structures such as workstations, machine frames, quality control, etc.
- > Cables can be fixed on aluminum profiles even in between walls.

#### **PRODUCT DESCRIPTION**

- > Made of Polyamide (PA6).
- > 99,7% recyclable (specialized channels).
- > To be fixed with T-Clip instant mounting clip (Art. 920201/920202/920203).

# **DOCUMENT HOLDERS**

### Smart document presentation.

The document holder with 2 prongs allows you to clip 1 to 5 documents and make them easily accessible for consultation and annotation.

The document holder can be mounted using a T-Clip anywhere on most T-slot aluminum profiles.

#### **PRODUCT ADVANTAGES**

- > Has anti-rotation function.
- > T-clip allows mounting wherever needed on all aluminum profiles (workstations, machine carters, quality stations...).
- > Easy document access and handling thanks to curved out prongs on holder.

#### PRODUCT DESCRIPTION

- > Made of Polyoxymethylene (POM).
- > 99,6 % recyclable (specialized channels).
- > Holds 1 to 5 standard (80 g) paper sheets.
- > To be fixed with T-Clip instant mounting clip (Art. 920201/920202/920203).

## **PRO TABLET HOLDER**

### Mounts on aluminum profiles!

Flexible and resistant, it can easily be adapted to a large variety of tablets for simple, efficient and elegant digital display.

#### **PRODUCT ADVANTAGES**

- > Multiformat tablet holder with multidirectional display.
- > Can be fixed using the T-Clip system on all 8 mm and 10 mm aluminum profiles (workstations, machine protections, quality stations...).
- > Optimizes workstation organisation.
- > Digital access to documents and processes from every workstation.

- > Durable metal with grainy black epoxy finish.
- > Transparent corner fasteners for optimal visibility.
- > Double-jointed holder.
- > 360° rotating arm can be used in portrait or landscape
- > Tablet can be locked thanks to cap screws at the back.
- Fixes using T-Clip system.

	920215	See dimensions on pictures	x1

### Tablet-holders

# X-TEND WALL TABLET HOLDER

### Easy to use wall mounted tablet holder for an efficient and elegant display.

Can easily be adapted to a large variety of tablets.

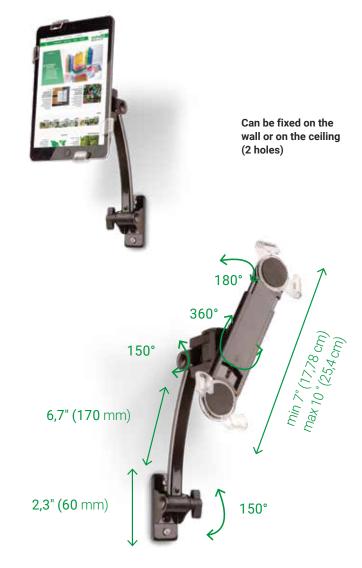

#### **PRODUCT ADVANTAGES**

- > Multiformat and multidirectional. Can be adapted to all your display needs.
- > Maximum visibility of tablet.
- > Can be used in stores, offices, factories, hotels, entrance halls and foyers, etc.
- > Optimizes organisation.
- > Digital access to information and documents.

#### **PRODUCT DESCRIPTION**

- > Resistant metal with grainy black epoxy finish.
- > Double joint holder with 360° rotating head.
- > Multidirectional display options.
- > Portrait or landscape use.
- > Multiformat holder: 7" to 10" tablets.
- > The tablet can be locked thanks to cap screws at the back.

# X-TEND SWING ARM

## Create your working space with this flexible metallic swing arm for easy and efficient digital display.

Can easily be adapted to a large variety of tablets.

## **PRODUCT ADVANTAGES**

- > Multiformat and multidirectional it can be adapted to all your display needs.
- > Maximum visibility of tablet.
- > Thanks to an ergonomic design, it reduces space and fits to its environement.

- > Triple joint swing arm with integrated springs and adjustable mounting system.
- > Metal base with grainy black epoxy finish.

### **DOCUMENT HOLDERS FOR PALLETS**

### The solution for your pallets and containers.

The easiest and most effective way to ensure visibility and traceability of goods stored on pallets or containers.

#### **PRODUCT ADVANTAGES**

- > 100% recyclable Polypropylene.
- > Document "scannable" with a barcode reader through transparent front cover.
- > Small right side document loading avoids dirt, dust and spills.
- > To be used on pallets, crates or container collars.
- > Can also be used in between two cardboard boxes by flattening the flap.
- > Provides improved LEAN management.
- > Provides identification where conventional warehouse labels won't adhere and thus improves your process efficiency.

#### **PRODUCT DESCRIPTION**

- > Pocket made of 800µ rigid PP.
- > Clear anti-glare orange peel 150µ soft PP top sheet.
- > Small right side document loading.
- > Available in A5 and A4.

### **IDENTIFICATION POCKETS**

### For a safe, visible and durable identification

This identification pocket is perfectly adapted to TQM, 5S, KAIZEN and generally speaking all LEAN management purposes.

#### **PRODUCT ADVANTAGES**

- > High-impact ISO standards colors for a color coded organization.
- > Waterproof fastening located at the bottom of the pocket for better drip-off.
- > One single hanger fits all sizes.
- > PVC is without phtalates and REACH compliant.
- > For information to be displayed on container bins, crates and box pallets.
- > Perforations allow for multiple hanging possibilities: hanger, pins and tacks, clamp ring, cable tie, cord, etc.
- > In outdoor or difficult conditions, document is sealed away and is protected against dust, dirt, and water.

#### **PRODUCT DESCRIPTION**

- > Thick PVC identification pockets.
- > Front cover is transparent anti-glare PVC.
- > 3 perforations for hanging accessories.
- > Available in A5 and A4 formats, portrait and landscape.
- > Available in crystal or color versions: blue, red, yellow and green.
- > Opening on the top.

### **IDENTIFICATION POCKETS - DRY-ZIP**

### Unique on the market!

Thanks to its waterproof fastening (Minigrip®), located at the bottom of the pocket, this pocket is especially made for exterior spaces.

#### **PRODUCT ADVANTAGES**

- > High-impact ISO standards colors for a color coded organization.
- > Waterproof fastening located at the bottom of the pocket for better drip-off.
- > One single hanger fits all sizes.
- > PVC is without phtalates and REACH compliant.
- > For information to be displayed on container bins, crates and box pallets.
- > Perforations allow for multiple hanging possibilities: hanger, pins and tacks, clamp ring, cable tie, cord, etc.
- > In outdoor or difficult conditions, document is sealed away and is protected against dust, dirt, and water.

#### PRODUCT DESCRIPTION

- > Thick waterproof PVC identification pockets.
- > Front cover is transparent anti-glare PVC.
- > Opening on the bottom sealed with mini grip fastening.
- > 3 perforations for hanging accessories.
- > Available in A5 and A4 formats, portrait and landscape.
- > Available in crystal or color versions: blue, red, yellow and green.
- > Hangers supplied separately (Art. 165990).

### **SELF-LAMINATING BADGE KIT**

### A all-in-one kit for ideal identification for any temporary one-time event.

Tarifold self-laminating badges are the ideal identification solution for any temporary one-time event or as one-day visitor passes. They ensure that identification once inserted cannot be removed. All badges are available in their classic clear version or with fun color frames to spice up and color code events.

If you want instant access and recognition at a glance, the color coding badge holder is particularly useful. The color back, allows for quick identification no matter which way your badge is facing.

Fantastic choices for businesses, schools, hospitals, and other busy working environments where people need to quickly and easily identify someone's position, status, or job title.

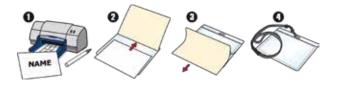

#### **PRODUCT ADVANTAGES**

- > All-in-one kit
- > No expensive laminating machine required
- > The self-lamination ensures that your ID or business card cannot be removed once inserted
- > The printable insert sheets make it a perfect kit for reception desks to create one-day color coded visitor passes
- > Gives your ID or business card a stylish color frame to match your brand by choosing one of our color options
- > Disposable: perfect for one-shot events
- > Easily color code different groups at any event or gathering, or color code your daily passes for extra security

# FLOOR MARKING SYMBOLS

# Perfectly suited for all LEAN management purposes.

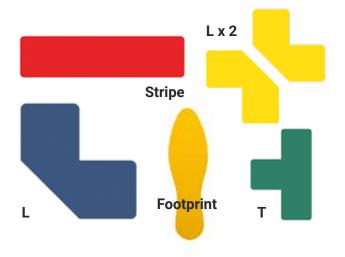

Especially made for a safe, visible and durable indoor floor marking.

### **PRODUCT ADVANTAGES**

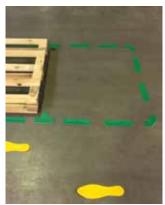

- > Highly visbile ISO standard colors help color code different areas.
- > Assemble 2 "L" shapes to obtain a 5th "cross" shape.
- > Effective, fast, and easy application compared to painted floor markings.
- > Resilient wear-resistant PVC that withstands pedestrian traffic.
- > Can withstand easy traffic of stackers and other handling machines.
- > Washable: water and cleaning products resistant.
- > A perfect tool to help mark warehouses, factories, pathways, workshops, etc.
- > Compatible with all LEAN management processes.

### **PRODUCT DESCRIPTION**

- > High resistance 350  $\mu$  vinyl expert marking symbols.
- > Super strength glue tape.
- > Available in 5 standard colors: blue, red, yellow, green and white.

# Custom Made and Made-to-measure

# A branded product is an effective and powerful image vector.

All our know-how is at your disposal to offer you **innovative** and creative solutions that will meet your needs precisely.

We offer a customization service (existing standard products bearing your design). Thanks to a powerful printing tool, you just need to send us your creation, and we take care of the rest!

Our business expertise also allows the design and manufacture of customized products. Our engineering service is at your disposal to find solutions with the best possible value for money.

Discover our possibilities below and contact us at the following address. Let's imagine your product together: **customized@t3lgroup.com** 

# FRAMES AND FRAME DISPLAY POCKETS

### Enhance your corporate image by creating your exclusive design!

Now our frames and frame display pockets can be personalized with your own design. High quality print, in our Danish factory.

#### **PRODUCT DESCRIPTION**

TYPE: Magnetic frame display pockets, Self-adhesive frame display pockets with double-sided print or Magnetic display frames.

FORMATS: A3/A4/A6/US.

**DESIGN:** 4 colors, digital print. Custom made

(see ordering procedure below).

MINIMUM QUANTITY: 50 Pieces per model

(1 type / 1 format / 1 design).

**CORNER SHAPE:** Round (Tarifold standard 15° radius)

or square.

#### **ORDER PROCESS**

- Tarifold sends customers a template.
- Customer creates design and returns the file to Tarifold.
- Tarifold approves the file.
- Order is included in production planning. Tarifold will confirm the best possible delivery date.

### CONTACT US: customized@t3lgroup.com

### STEP 1: Select a product type

- > Magnetic display frames with 4 magnetic strips.
- > Self-adhesive frame display pockets with double-sided print.
- > Magnetic frame display pockets with a full magnetic back.

**STEP 2:** Create your design from our template

**STEP 3:** Design approval and order confirmation

Available sizes A6, A4, A3, US

Shape of frame corners Sauare or rounded

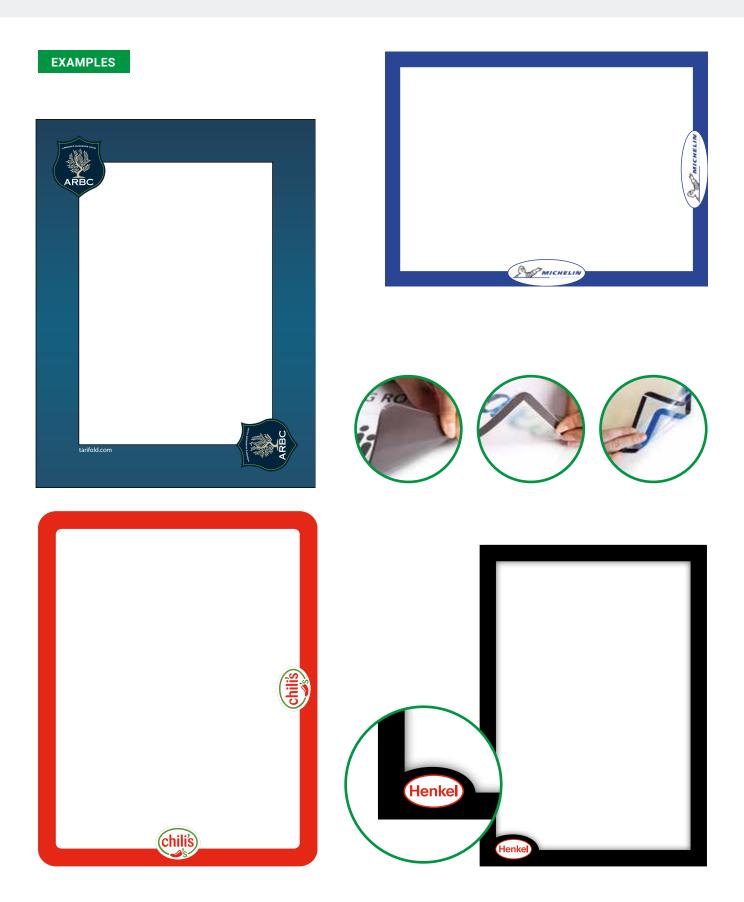

Frame color (4 colors digital print)

Logo of your company

# **BOXES AND BINDERS**

# **L-FOLDER**

### Customize your L-Folder to convey your brand image to your customers and staff.

### **PRODUCT DESCRIPTION**

- > Double opening
- > Gripping tab
- > Anti-tear cutting

TYPE: matt transparent 180 microns PP or white 200

microns PP

SIZE: A4

**DESIGN:** designed by the customer (please see below

our order process)

MINIMUM OF QUANTITY: 100 pieces per design

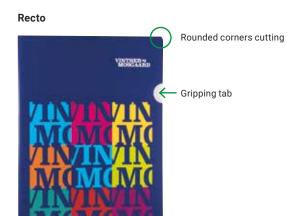

### **ORDER PROCESS**

- 1 Tarifold sends customers a template.
- Customer creates design and returns the file to Tarifold.
- Tarifold approves the file.
- Order is included in production planning. Tarifold will confirm the best possible delivery date.

### CONTACT US: customized@t3lgroup.com

Anti-tear cutting

# Customize your presentation and filing tools with your brand!

We design with you the box or the binder that will best fit to your needs.

### **CHOICE OF RAW MATERIAL**

- > Woven effect
- > Plastic material
- > Artificial leather
- > Cardboard material
- > Various types of plastic films
- > Laminated paper (resistant)
- > Matte or shiny
- > Immitation finish: Snakeskin, Leather, Wood, etc.

### **OPTIONS**

- > Relief printing
- > Lamination
- > UV varnish
- > Magnet closure
- > Press button
- > Elastic
- > ZIP closure
- > Silkscreen
- > Metal corners
- > Spiral binding
- > Adhesive or magnetic back

### CONTACT US: customized@t3lgroup.com

### Made-to-measure

# **MADE TO MEASURE**

# For any needs or ideas, we have a solution adapted to your line of business!

#### ATTENTIVE TO YOUR NEEDS

We have a lot of standard products, but you can have other needs. Our mission is mainly to manufacture made to measure and creative products in accordance with your ideas.

### **INTERNAL PRODUCTION**

In addition to our own design department, we have all

the means of manufacturing needed to realize your projects in one of our sites in France or Denmark.

This allows us to respond quickly to your requests with reasonable prices and high quality.

### CONTACT US: customized@t3lgroup.com

# **ENVIRONMENTAL EVALUATION**

# T3L: WORKING FOR A DEVELOPMENT THAT MEETS THE NEEDS OF TODAY... WITHOUT COMPROMISING THE FUTURE!

### Tarifold: a strong focus on economic and environmental matters

Tarifold SAS permanently strives to develop the ecological awareness of its employees through its committee for sustainable development (created in 2008).

Every year, events to raise the awareness of all staff to the respect and preservation of the planet are conducted, especially during the week of Sustainable Development:

- > "eco-gestures" workshops
- > carpooling sessions, "clean" driving training
- > internal communication campaigns
- > expert interventions (food, energy, housing ...)
- > creation of a biodiversity zone in the company

Recycling is promoted by the establishment of permanent terminals for the collection of corks, batteries and clothing.

Tarifold SAS is ISO 14001 and 9001 certified since 2005. The company is continuously reducing its energy consumption and develops products with a lower impact on the environment.

For example, our 100% recyclable and colorant-free filing products, or the TARIFOLD EASY LOAD presentation systems, whose pockets are made of 100% recyclable polypropylene.

### 3I office: pioneers of environmental-friendly materials

Thanks to innovation, and to the quality and reliability of its products, 3L Office has set itself a simple but ambitious goal: to be the most environmentally friendly office product brand!

95% of all 3L Office products are made from PP and PET, which are environmentally friendly materials. All the adhesives used are solvent-free and pH neutral. We use FSC label paper and recycled packaging materials as much as possible.

Thus, at 3L Office Products, all packaging cartons are recycled and all products are manufactured according to REACH regulations and do not contain any components of the SVHC list.

3L Office was the first brand to focus on PP and PET as key materials, because of their lower environmental impact.

Today, it is also the first brand to launch a line of biodegradable products is manufactured in PLA (polylactic acid), a material based on waste from the food industry (corn residues, potatoes, sugar cane, sugar beets ...).

You will find in the pages that follow a table summarizing the environmental indicators of the products in this catalog.

Do not hesitate to contact us for any questions.
